Everyone is Welcome

{PCF Welcome You}

Our PCF only set up this year but plans to be an integral part of the school community. PTA's have raised thousands of pounds for schools in our area, which has been spent on equipment and resources to enhance their children's education experience and the school's facilities.

Our PCF is about much more than simply fundraising. The PCF exists to provide closer links between home and school and it is an excellent way to bring staff, parents and friends together socially in support of the school, working towards a common goal. It is fun too - just ask any of the Committee members or PCF helpers. Obviously, as in any organisation, we will experience some challenges but with the continued support of parents and staff, our PCF will succeed in its efforts.

All parents and members of the school community are encouraged to get involved, even if they only have a small amount of time available. All families are automatically members of the MTS—Parents & Community Forum when their child joins our school.

The PCF is extremely conscious of the ethos and diversity of our school, and we try very hard when organising and planning events to respect this. Not all of our events are run as fundraisers. We endeavour to encourage social events throughout the year where we as parents relax and enjoy the social side of the PCF.
