

Our ref: LAA/kt/1044

8th January 2009

Mrs Kathryn Stansfield, G&T Co-ordinator
Middleton Technology School
mtskstansfield@midtech.com

Dear Mrs Stansfield

The Leading Aspect Award Panel is pleased to confirm the verifier's recommendation that you have achieved a Leading Aspect Award in the following aspect

Gifted and Talented Provision

Many congratulations!

It is a well-deserved achievement and is something in which you, your students and your school should be very proud.

Please will you confirm, within the following 7 days, that the title is correct (by email please) so an the advertisement for the TES maybe prepared. We will notify you when the advert date is known. We will also be able to prepare the certificate.

Your case study should be with you over the next 4 weeks for you to scrutinise and amend as necessary.

I have attached the Leading Aspect Award logo for you to use on your stationery etc.

Once again – congratulations!

Yours sincerely

Kate

Kate Taylor
Administrator, On behalf the Leading Aspect Award Panel

The Leading Aspect Award 7th Conference & Celebration takes place on **Tuesday, 7th July 2009, 10.00 – 15.30 (venue to be confirmed)** and all are welcome to attend be they an award holder or simply interested in improving practice. Please mark this date in your diary. More news will follow.

- Recipients and non-recipients, teachers, pupils, Governors, Managers, Headteachers, Heads of Centre, LA and DCSF officers plus the press & photographers will be present and are welcome.
- The day itself is a wonderful professional development opportunity looking at how we can learn from each other to support educational improvement and in the past has proved to be a very busy but enjoyable day.
